# About The Show

Children talk just about ANYTHING and EVERYTHING usually, in a very honest way, sometimes brutally and their talks are so surprisingly innocent, leaving you in stitches.

Kids Talk Anything & Everything allows adults in to the minds of children ages 5 to 10years old. The hosts engage them in conversations about life to hear their honest viewpoints, either for us to learn or to laugh about. The weekly show is recorded in front of a live studio audience and hosted by Popular Jamaican and Hollywood Actress, Sherando Ferril, Caribbean and Jamaican Comedians, Ian “Ity” Ellis and Glen “Titus” Campbell while Child Sensation, Ngozi Wright takes over The Kid Carpet Segment.
